RE: RACEA Resource Center

DATE: July 23, 2010

The RACEA web site, as you know, is currently located at the following URL:

<http://irhst40.irp.uga.edu/Wiki/index.php>

Our goal is to further enhance that site in order that it becomes an even more valuable resource.

RACEA Task Force # 5 (Resource Center) members have been appointed as liaisons to your task forces:

1. Andy Clark: Evaluation of Expected Outcomes for Programs and Services
2. David Gribbin: Student Learning Outcomes Assessment
3. Peter Lyons: Instruction-wide Strategic Planning, Quality Enhancement, and Continuous Improvement
4. Alan Burstein: Current Issues in Accreditation

These liaisons will be in contact with each of you soon to find out how they can work most effectively with you task force and to inquire about any specific input you may have about the Resource Center. Please be as specific as possible in providing input to assist us in enhancing the Resource Center.

Thanks so much for all you are doing for RACEA.

c: Susan Paraska, Chair Elect, RACEA  
Alan Burstein, Chair, RACEA Resource Center Task Force
